A KANNA+KAVA ENHANCED BLEND FROM KANVA BOTANICALS

Eases tension
& stress

Supports deep relaxation
and a serene mindset

Combats the negative
effects of anxiety

Boosts mood and
mental clarity

Unwind from daily stress with **Release + Relax**, a calming Kanna + Kava shot crafted to soothe the mind and body. Kanna, a succulent native to Southern Africa, has long been used for its mood-lifting and cognitive benefits. Paired with kava, a root from the South Pacific known for reducing anxiety and promoting relaxation, this blend offers a natural way to find balance. Kanna's alkaloids support the nervous system, while kava's kavalactones calm without clouding mental clarity. Together, they create a peaceful, grounding experience. Sip, relax, and let nature take the lead.

Key Ingredients:

- + 300mg kavalactones per bottle
- + 60mg Kanna extract per bottle
- + 100mg GABA per bottle

ELEVATE

Elevate is what we call our "Happy Hour Strain." No need to waste money on multiple drinks to get a buzz. No need to worry about the mind splitting headache you're guaranteed during a hangover the next morning.

ENHANCE

Since it's about a 50/50 split between red and white vein, **Enhance** is known for having this relaxed yet energetic feeling and is often associated with boosting overall well being.

ENERGIZE

Energize is exactly what you need to start mornings on the right foot. This plain leaf kratom will jumpstart your day and can offer this boosted and focused feeling that will outlast any cup of coffee.
